**UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY**

In re:

WEWORK INC., *et al.*,

Debtors.¹

Chapter 11

Case No. 23-19865 (JKS)

(Joint Administration Requested)

**DEBTORS' MOTION FOR ENTRY OF AN ORDER
(I) ESTABLISHING CERTAIN NOTICE, CASE MANAGEMENT,
AND ADMINISTRATIVE PROCEDURES AND (II) GRANTING RELATED RELIEF**

TO: THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' proposed claims and noticing agent at <https://dm.epiq11.com/WeWork>. The location of Debtor WeWork Inc.'s principal place of business is 12 East 49th Street, 3rd Floor, New York, NY 10017; the Debtors' service address in these chapter 11 cases is WeWork Inc. c/o Epiq Corporate Restructuring, LLC 10300 SW Allen Blvd. Beaverton, OR 97005.

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) state as follows in support of this motion (the “Motion”):²

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Order”): (a) authorizing, but not directing, the Debtors to designate these chapter 11 cases as complex cases; (b) approving and implementing certain notice, case management, and administrative procedures as described in Exhibit 1 to the Order (collectively, the “Case Management Procedures”); and (c) granting related relief.

2. There are thousands of creditors and parties in interest in these chapter 11 cases. Notice of all pleadings and other papers filed in these chapter 11 cases to each of these parties would be extremely burdensome and costly to the estates. The costs of photocopying, postage, and other expenses associated with such large mailings would be excessive and practically prohibitive. The relief sought in this Motion is tailored to address such concerns while simultaneously ensuring timely notification to those parties actively participating in this case or those parties whose rights are directly affected by a given matter.

Jurisdiction and Venue

3. The United States Bankruptcy Court for the District of New Jersey (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference to the Bankruptcy Court Under Title 11*, entered July 23, 1984, and amended on September 18, 2012 (Simandle, C.J.). The Debtors confirm their consent to the Court’s entering

² A detailed description of the Debtors and their businesses, including the facts and circumstances giving rise to the Debtors’ chapter 11 cases, is set forth in the *Declaration of David Tolley, Chief Executive Officer of WeWork Inc., in Support of the Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously herewith. Capitalized terms used but not defined in this Motion have the meaning ascribed to them in the First Day Declaration.

a final order in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 102(1), 105(a), 107(c), and 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 1001, 1007, 2002, 9007, 9013-1, 9014, and 9036 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 1007-1 of the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”).

Background

6. The Debtors, together with their non-Debtor affiliates (collectively, “WeWork” or the “Company”), are the global leader in flexible workspace, integrating community, member services, and technology. Founded in 2010 and headquartered in New York City, WeWork’s mission is to create a collaborative work environment where people and companies across a variety of industries, from freelancers to Fortune 100 companies, come together to optimize performance. WeWork is publicly traded on the New York Stock Exchange and employs over 2,650 full-time and fifty part-time workers in the United States and abroad. The Company operates over 750 locations in thirty-seven countries and is among the top commercial real estate lessors in business hubs including New York City, London, Dublin, Boston, and Miami. For the fiscal year 2022, WeWork’s revenue was approximately \$3.25 billion. The Debtors commenced these chapter 11 cases to rationalize their lease portfolio, right-size their balance sheet, and position WeWork for sustainable, long-term growth.

7. On November 6, 2023 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion

requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

Case Management Procedures

8. On November 25, 2009, the Honorable Judith H. Wizmur (Retired) entered the *General Order Governing Procedures for Complex Chapter 11 Cases* (the “General Order”). The General Order was designed to provide “special scheduling and other procedures” in cases where certain factors, including a large creditor base or high assets and liabilities, were present. *See* General Order ¶ 1. Under the General Order, debtors were required to file a simple application setting forth the factors that warranted complex treatment in order to obtain an order designating the cases as “complex cases.”³ The General Order provided that, “[i]n a Complex Chapter 11 Case, counsel for the debtor, at the hearing on First Day Matters, shall: [d]iscuss with the Court, provisions regarding the entry of a proposed case management order in accordance with the Guidelines Establishing Case Management and Administrative Procedures for Cases Designated as Complex Chapter 11 Cases [(the “General Guidelines”)], a copy of which [was] attached [to the General Order] as Exhibit F.” *Id.* ¶ 6(a).

³ Out of an abundance of caution, the Debtors are seeking authority to designate these chapter 11 cases as complex cases in compliance with the General Order, which is considered an archived general order. *See Transcript of First Day Motions, In re SLT HoldCo, Inc.*, No. 20-18268 (MBK), Hr’g Tr. at 17:2–8 (Bankr. D.N.J. July 10, 2020) (noting that the United States Trustee for Region III has “question[ed] whether this relief is necessary in light of the fact that the November 25 [*sic*], 2009 order is an archived general order”). The Court recently granted similar relief designating the debtors’ chapter 11 cases as complex cases via the debtors’ case management motion. *See, e.g., In re Cyxtera Techs., Inc.*, No. 23-14853 (JKS) (Bankr. D.N.J. June 7, 2023); *In re Bed Bath & Beyond, Inc.*, No. 23-13359 (VFP) (Bankr. D.N.J. Apr. 25, 2023).

9. Although the General Guidelines were state of the art in 2009, in the ensuing fourteen years, technology has developed rapidly, and chapter 11 practice has changed in response. In light of these changes, the General Guidelines do not satisfy the Debtors' particular needs in 2023. For example, the General Guidelines require paper service that is no longer necessary or practicable in light of, among other things: (i) the fact that most people check their email multiple times a day, giving them instant access to pleadings and information electronically served on them; (ii) the fact that many people do not check their paper mail with any regularity; (iii) the fact that many people do not work from offices five days a week; and (iv) the size of today's chapter 11 cases and the current inflationary environment makes paper service cost prohibitive, even when effectuated via first class mail (*i.e.*, when not served via overnight carrier).

10. In light of these realities, the Debtors seek authority to implement a set of Case Management Procedures—based on and closely correlated with the General Guidelines—that have been tailored to the Debtors' particular facts and circumstances as well as the practicalities of service and bankruptcy practice in 2023.

11. The Case Management Procedures, among other things: (a) establish requirements for filing and serving notices, motions, applications, declarations, affidavits, objections, replies, responses, memoranda, briefs, supporting documents, and other papers filed in these chapter 11 cases, including with regard to any contested matters and any related adversary proceedings (collectively, the "Court Filings"), and any orders entered in these chapter 11 cases, including with regard to any contested matters and any related adversary proceedings (together with the Court Filings, the "Court Filings and Orders"); (b) delineate standards for notices of hearings and agendas; (c) fix periodic omnibus hearing dates and provide mandatory guidelines for scheduling

hearings and setting objection and reply deadlines; and (d) minimize potential burdens on the Court by limiting matters that are required to be heard by the Court.

12. The Debtors believe that the Case Management Procedures will facilitate service of Court Filings and Orders in a manner that will maximize the efficiency and orderly administration of these chapter 11 cases, while at the same time ensuring that appropriate notice is provided, particularly to parties who express an interest in these chapter 11 cases and those directly affected by a request for relief. In particular, the Case Management Procedures are intended to:

- a. reduce the need for expedited hearings and requests for expedited relief;
- b. provide for omnibus hearings for the Court to consider motions, applications, other pleadings, and any responses thereto, as applicable;
- c. promote consensual resolution of important matters;
- d. assure prompt receipt of appropriate notice by potentially affected parties;
- e. allow for electronic notice in accordance with the Court's electronic filing system (the "ECF System");
- f. provide ample opportunity for parties in interest to prepare for and respond to matters before the Court;
- g. reduce the substantial administrative and financial burden that otherwise may be placed on the Debtors and other parties in interest who file documents in these chapter 11 cases; and
- h. reduce the administrative burdens on the Court and the office of the clerk of the United States Bankruptcy Court for the District of New Jersey (the "Clerk of Court").

13. To ensure that parties in interest in these chapter 11 cases are made aware of the Case Management Procedures, the Debtors propose to: (a) serve the Case Management Procedures via electronic mail (where available) or regular mail on each of the parties on the Master Service List (as defined in the Case Management Procedures) as soon as practicable after entry of the Order; (b) publish the Case Management Procedures on the Debtors' restructuring website at <https://dm.epiq11.com/WeWork> (the "Case Website"); and (c) make the Case

Management Procedures readily available upon request to the Debtors' proposed claims and noticing agent, Epiq Corporate Restructuring LLC (the "Claims Agent"). If the Case Management Procedures are modified during these chapter 11 cases, the Debtors will (a) make updated versions of the Case Management Procedures available on the Case Website, (b) file a notice of the updated procedures (along with a copy of the updated procedures) electronically on the docket, and (c) serve such updated procedures in accordance with the revised Case Management Procedures.

Basis for Relief

14. The Bankruptcy Rules and Bankruptcy Code provide the Debtors with authority to establish notice and case management procedures. In particular, Bankruptcy Rule 2002(a) provides that, unless otherwise directed by such rule, notice of certain matters must be given to, among others, all of the Debtors' creditors, equity security holders, and other parties in interest. The Bankruptcy Rules further provide that "the court may from time to time enter orders designating the matters in respect to which, the entity to whom, and the form and manner in which notices shall be sent except as otherwise provided by these rules." Fed. R. Bankr. P. 2002(m); *see also* Fed. R. Bankr. P. 9007 ("When notice is to be given under these rules, the court shall designate, if not otherwise specified herein, the time within which, the entities to whom, and the form and manner in which the notice shall be given.").

15. In addition, section 105(a) of the Bankruptcy Code grants bankruptcy courts broad authority and discretion to enforce the provisions of the Bankruptcy Code either under specific statutory fiat or under equitable common law principles. Specifically, section 105(a) provides:

The court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title. No provision of this title providing for the raising of an issue by a party in interest shall be construed to preclude the court from, *sua sponte*, taking any action or making any determination necessary or

appropriate to enforce or implement court orders or rules, or to prevent an abuse of process.

11 U.S.C. § 105(a).

16. Under section 102(1) of the Bankruptcy Code, where the Bankruptcy Code provides for an action to occur “after notice and a hearing,” such action may occur “after such notice is appropriate in the particular circumstances, and such opportunity for a hearing as is appropriate in the particular circumstances[.]” 11 U.S.C. § 102(1)(A). Finally, and perhaps most importantly, Bankruptcy Rule 1001 requires the Bankruptcy Rules to be “construed . . . to secure the just, speedy, and inexpensive determination of every case and proceeding.” Fed. R. Bankr. P. 1001.

17. The Debtors’ chapter 11 cases are complex, will likely be fast-paced, and will involve a large number of creditors and other parties in interest. The Debtors anticipate that the service list will contain thousands of entities. The costs and burdens associated with the possibility of frequent and fragmented hearings, plus the costs associated with copying and mailing or otherwise serving all documents filed with the Court to all such entities, will impose an extraordinary and expensive administrative and economic burden on the Debtors’ estates, the Court, and the parties in interest. Indeed, constant mass mailings will be extraordinarily costly to the Debtors’ estates and will require the Debtors to divert valuable resources to comply with all administrative requirements. Additionally, hard copy mailing may not be available for all parties in interest, so the Debtors request to serve such parties, through the Claims Agent, via electronic mail to ensure service on such parties.

18. Limited notice procedures are routinely established by bankruptcy courts in large chapter 11 cases to reduce the expense of the administration of the estate. *See, e.g., In re Rite Aid Corp.*, No. 23-18993 (MBK) (Bankr. D.N.J. Oct. 18, 2023); *In re Cyxtera Techs., Inc.*, No. 23-

14853 (JKS) (Bankr. D.N.J. June 7, 2023); *In re Bed Bath & Beyond Inc.*, No. 23-13359 (VFP) (Bankr. D.N.J. Apr. 25, 2023); *In re David's Bridal, LLC*, No. 23-13131 (CMG) (Bankr. D.N.J. Apr. 17, 2023); *In re BlockFi Inc.*, No. 22-19361 (MBK) (Bankr. D.N.J. Nov. 30, 2022); *In re Aeero Tech. LLC*, No. 22-02890-JJG-11 (Bankr. S.D. Ind. Sept. 30, 2022); *In re Celsius Network LLC*, No. 22-10964 (MG) (Bankr. S.D.N.Y. Aug. 17, 2022).⁴

19. For the reasons discussed herein, the Debtors believe that the Case Management Procedures are appropriate and should be approved and implemented. The establishment of the Case Management Procedures will promote the efficient and orderly administration of these chapter 11 cases. For these reasons, the Debtors believe that the relief requested herein is in the best interests of the Debtors and their estates and should be approved.

Waiver of Memorandum of Law

20. The Debtors respectfully request that the Court waive the requirement to file a separate memorandum of law pursuant to Local Rule 9013-1(a)(3) because the legal basis upon which the Debtors rely is set forth herein and the Motion does not raise any novel issues of law.

Reservation of Rights

21. Notwithstanding anything to the contrary herein, nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended as or should be construed or deemed to be: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an

administrative expense claim, other priority claim, or of a type otherwise specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease.

No Prior Request

22. No prior request for the relief sought in this Motion has been made to this Court or any other court.

Notice

23. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) the holders of the thirty largest unsecured claims against the Debtors (on a consolidated basis); (c) Davis Polk & Wardwell LLP and Greenberg Traurig, LLP, as counsel to the Ad Hoc Group; (d) Weil, Gotshal & Manges LLP and Wollmuth Maher & Deutsch LLP, as counsel to SoftBank; (e) Cooley LLP, as counsel to Cupar Grimmond, LLC; (f) the agents under each of the Debtors'

prepetition secured credit facilities and counsel thereto; (g) the office of the attorney general for each of the states in which the Debtors operate; (h) the United States Attorney's Office for the District of New Jersey; (i) the Securities and Exchange Commission; (j) the Internal Revenue Service; and (k) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

[Remainder of page intentionally left blank]

WHEREFORE, the Debtors request that the Court enter an order, in substantially the form submitted herewith, granting the relief requested herein and such other relief as is just and proper under the circumstances.

NOTICE, CASE MANAGEMENT, AND ADMINISTRATIVE PROCEDURES

On November 6, 2023 (the “Petition Date”), WeWork Inc. and its debtor affiliates, as debtors and debtors in possession in the above-referenced chapter 11 cases (collectively, the “Debtors”) commenced the above-captioned bankruptcy cases (these “Chapter 11 Cases”) by filing their voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On [●], 2023, the Court entered an order (the “Case Management Order”) [Docket No. [●]], pursuant to sections 102(1), 105(a), 107(c), and 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 1001, 1007, 2002, 9007, 9013, 9014, and 9036 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 1007-1 of the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”), approving (a) these Notice, Case Management, and Administrative Procedures (collectively, the “Case Management Procedures”), and (b) the form and notice thereof.

Pursuant to the Case Management Order, all notices, motions, applications, briefs, memoranda, declarations, affidavits, objections, responses, replies, supporting documents, and other papers filed in these Chapter 11 Cases, including with regards to any contested matters and any related adversary proceedings, and orders entered in these Chapter 11 Cases, including with regards to any contested matters and any related adversary proceedings, are subject to, and will not be deemed properly served unless they are served in accordance with, these Case Management Procedures. Additionally, to the extent there is a conflict between the Bankruptcy Code, the Bankruptcy Rules, or the Local Rules and these Case Management Procedures, these Case Management Procedures shall govern in all respects.

Accordingly, all parties in interest are strongly encouraged to review the below Case Management Procedures in their entirety and consult their own legal counsel with respect to any of the matters discussed herein prior to filing any documents in the Chapter 11 Cases.

Case Management Procedures

A. Omnibus Hearings

1. All Matters to Be Heard at Omnibus Hearings. All matters requiring a hearing in these Chapter 11 Cases, including with regards to any contested matters and any related adversary proceedings, shall be heard at periodic omnibus hearings (each, an “Omnibus Hearing”), in accordance with these Case Management Procedures, unless otherwise ordered by the Court for good cause shown. The Debtors shall be authorized to schedule, in cooperation with the Court, Omnibus Hearings to consider (a) all motions, applications, and other requests for relief, along with any notices, briefs, memoranda, declarations, affidavits, replies, and other documents filed in support of such papers seeking relief (collectively, the “Requests for Relief”); and (b) all objections and responses to such Requests for Relief and documents filed in support of such objections and responses (collectively, the “Objections” and, together with the Requests for Relief and all other filed documents, the “Court Filings”) pursuant to the following procedures:

(a) Initial Omnibus Hearings. The next three Omnibus Hearings shall be held on the following dates and times:

- (i) __: __ .m., prevailing Eastern Time, on __, 2023;
- (ii) __: __ .m., prevailing Eastern Time, on __, 2023; and
- (iii) __: __ .m., prevailing Eastern Time, on __, 2023.

(b) Subsequent Omnibus Hearings. The Debtors shall be authorized to schedule, in coordination with the Court, additional Omnibus Hearings. The Debtors shall file notices of additional Omnibus Hearing dates with the Court on a periodic basis. Epiq Corporate Restructuring, LLC, the Debtors’ claims and noticing agent (the “Claims Agent”) shall post the dates of the Omnibus Hearings on a website established for this case at <https://dm.epiq11.com/WeWork> (the “Case Website”). Entities may contact the Claims Agent for information concerning all scheduled Omnibus Hearings.

(c) Proposed Notice of Agenda. Before noon (prevailing Eastern Time) on the day that is two (2) business days before each Omnibus Hearing, the Debtors’ counsel will file a proposed Notice of Agenda with regard to the matters that are

scheduled to be heard at such Omnibus Hearing (the “Notice of Agenda”). The Notice of Agenda may include notice of matters that have been consensually adjourned to a later Omnibus Hearing in lieu of parties filing a separate notice of such adjournment.

(d) Content of Notice of Agenda. The proposed Notice of Agenda shall list: (i) the docket number (in docketing order) and title of each matter scheduled for hearing at such Omnibus Hearing, including the initial filing and any filed responses, replies, or documents related thereto; (ii) the relevant Objection Deadlines and whether the matters are contested or uncontested; (iii) whether the matters have settled or are proposed to be continued; and (iv) other comments that will assist the Court. The matters listed on the proposed Notice of Agenda shall be limited to matters of substance and shall not include administrative filings, such as notices of appearance and affidavits of service. Resolved or continued matters shall be listed ahead of unresolved matters on the Notice of Agenda. Contested matters shall be listed in the order of docketing with the corresponding docket number.

All amended Notices of Agenda shall list matters as listed in the original Notice of Agenda with all edits and additional information being listed in boldface type.

Copies of the Notice of Agenda shall be served upon all counsel who have entered an appearance in the case, as well as all other counsel with a direct interest in any matter on the Notice of Agenda and the U.S. Trustee simultaneously with the filing of the Notice of Agenda with the Court.

When an adversary proceeding is scheduled, the Notice of Agenda shall indicate the adversary proceeding number and the corresponding docket number for pleadings filed in the adversary proceeding on the Notice of Agenda, in addition to the information regularly required in a Notice of Agenda.

(e) Adjournment of Omnibus Hearings. Unless the Court orders otherwise, the Debtors’ counsel may, without further leave of the Court, (i) adjourn any hearing on a Request for Relief filed by the Debtors to a subsequent Omnibus Hearing either (A) if no Objection contesting the relief has been filed, or (B) with the consent of any party that has filed such an Objection; and (ii) adjourn any hearing on a Request for Relief filed by a non-Debtor party to a subsequent Omnibus Hearing provided that the filing party consents and either (A) no Objection contesting the relief has been filed or (B) any party that has filed such an Objection consents. Notice of such adjournments may be filed separately on the docket or noted in the Proposed Hearing Agenda.

(f) Cancellation of Omnibus Hearings. If no matters are scheduled for hearing at an Omnibus Hearing, the Debtors may cancel the Omnibus Hearing, with the consent of the Court, by filing a notice of cancellation on the docket for these Chapter 11 Cases.

B. Filing Procedures; General Motion Practice; Deadlines for Filing of Responsive Pleadings

2. Procedures Established for Court Filings. Registered users of the Court's Electronic Case Filing System (the "ECF System") shall file all Court Filings electronically. Any Court Filing that refers specifically to a pleading that has already been filed in the Chapter 11 Cases shall make specific reference to the docket number assigned by the Court to such pleading by use of the designation "Docket No. ____" or similar designation.

3. General Motion Practice. The following procedures shall be followed for Requests for Relief generally, except as otherwise provided by these Case Management Procedures or an order of the Court:

(a) Requests for Relief. Any Request for Relief, including briefs, must be filed at least twenty-one calendar days prior to the hearing thereon. A Request for Relief may be scheduled by the filing party to be heard at any Omnibus Hearing at least twenty-one calendar days after the filing of such Request for Relief.

(b) Inconsistent Filings. If a party other than the Debtors files a Court Filing and purports to set a hearing date inconsistent with these Case Management Procedures (an "Inconsistent Filing"), the hearing shall be scheduled, without the necessity of Court order, for the first Omnibus Hearing after the 21-day notice period has expired, and the Debtors shall provide such party with notice of these Case Management Procedures upon request. If such filing is filed at least twenty-one days from the next Omnibus Hearing, then the hearing with respect to such filing shall be deemed to be on such Omnibus Hearing. If such filing is less than twenty-one days prior to the next Omnibus Hearing, then the hearing with respect to such filing shall be the next Omnibus Hearing after the required twenty-one days have passed. The movant must provide notice of the corrected hearing date to all affected parties and thereafter file a certificate of service regarding the notice.

(c) Service of Requests for Relief. All Requests for Relief shall be served in accordance with the provisions of the Bankruptcy Rules, the Local Rules, and any applicable Court order on: (i) the Master Service List and (ii) each entity with a particularized interest in the subject matter of the specific Court Filing (each, an "Affected Entity").

(d) Notices of Requests for Relief. Parties should consult the Local Rules regarding the form and content of notices with respect to Requests for Relief and visit the Court's website at <http://njb.uscourts.gov> for more information.

(e) Requests for Shortened Time or Limited Notice. Nothing contained herein shall prejudice the rights of any party in interest to move the Court to further limit or expand notice of matters and proceedings upon a showing of good cause, including, but not limited to, the right to (i) file a Request for Relief upon shortened notice; or (ii) seek an enlargement or reduction of time pursuant to Bankruptcy Rule 9006.

(f) Expedited Hearings. If a party in interest has an emergency or other situation that it believes requires consideration on less than the twenty-one day notice as required by Local Rule 9013-2(c), the moving party should file and serve, a separate written application requesting shortened time and expedited hearing in respect of the underlying motion in the form provided at Local Rule 9013-2(c).

If the Court grants the motion for expedited hearing, the underlying motion will be set at the next available Omnibus Hearing or at some other appropriate shortened date approved by the Court.

Requests for expedited hearings will only be granted under emergency or exigent circumstances.

(g) Negative Noticing Procedures. Subject to the Court's discretion, the Court may approve notice procedures providing that if no Objections are timely filed and served by a deadline set in accordance with the Bankruptcy Rules and/or the Case Management Order and/or the Local Rules, the Court may enter an order granting the relief requested without further notice or a hearing ("Negative Notice"). The notice of motion accompanying such motion must specifically advise parties of the Objection Deadline and must also inform the recipient that if no Objections are filed and served, the Court may enter an order granting the motion without further notice or hearing.

Negative Notice may be used in connection with motions including, but not limited to, matters requesting the following relief: (a) rejection of a non-residential real property lease or executory contract pursuant to 11 U.S.C. § 365; (b) extension of deadline to seek removal action pursuant to Bankruptcy Rule 9027; (c) sales of assets outside the ordinary course of business pursuant to 11 U.S.C. § 363 with a purchase price set on a case-by-case basis; (d) approval of settlements and compromises pursuant to Bankruptcy Rule 9019 of claims where the settled amount of the claim does not exceed an amount set on a case-by-case basis; and (e) nothing contained herein shall be construed to limit a party in interest's ability to request that the Court approve the use of Negative Notice procedures in connection with motions not specifically identified above.

If an Objection is timely filed and served, a hearing will be scheduled for the next Omnibus Hearing date unless otherwise ordered by the Court.

(h) Evidentiary Hearings. Nothing herein shall prejudice the rights of any party to seek appropriate discovery with respect to any Court Filings, and all parties'

rights to request an evidentiary hearing or establish a discovery schedule are preserved. Parties who intend to offer evidence at any hearing must file a witness and exhibit list at least forty-eight hours before the scheduled hearing unless otherwise ordered by the Court or agreement by the parties.

(i) Certificate of No Objection. After the Objection date has passed with no Objection having been filed or served, counsel for the movant may file a Certification of No Objection substantially in the form as it appears in the General Order Governing Procedures for Complex Chapter 11 Cases on the annexed Schedule “1” stating that no Objection has been filed or served on the movant.

By filing such certifications, counsel for the movant is representing to the Court that the movant is unaware of any Objection to the motion or application and that counsel has reviewed the Court’s docket and no Objection appears thereon.

Upon receipt of the Certification of No Objection, the Court may enter the order accompanying the motion or application without further pleading or hearing and, once the order is entered, the hearing scheduled on the motion or application shall be cancelled without further notice.

4. Filing and Service of Objections, Replies, and Other Responsive Pleadings. The following procedures shall be followed, except as otherwise provided by these Case Management Procedures or an order of the Court:

(a) Objections and Replies. Any Objection, including related briefs, must be filed on or before the date that is seven (7) days prior to the hearing set on the motion unless otherwise provided by the Court (the “Objection Deadline”). If an Objection is filed, the movant or another interested party may file a reply and any documents in support of the reply, including briefs (collectively, a “Reply”), with the Court on or before four (4) days before the applicable hearing date unless otherwise provided by the Court (the “Reply Deadline”).

(b) Extension of Objection or Reply Deadline. The Objection Deadline may be extended upon the consent of the entity filing the Request for Relief without further order of the Court, *provided* that the Objection Deadline shall not be less than seven (7) days before the hearing on such matter without further approval of the Court. The Reply Deadline may be extended with the approval of the Court. Unless otherwise agreed by the entity filing the Request for Relief, adjournment of the hearing on the Request for Relief shall not extend the Objection Deadline.

(c) Service of Objections. All Objections shall be filed with the Court and served by the applicable Objection Deadline upon (i) the entity filing the Request for Relief, (ii) the Debtor, (iii) those entities on the Master Service List, and (iv) each Affected Entity.

(d) Service of Replies to Objections. Any Reply shall be filed and served by the applicable Reply Deadline upon (i) the entity filing the Request for Relief, (ii) the Debtors, (iii) each party that filed an Objection, (iv) each party on the Master Service List, and (v) each Affected Entity.

5. Granting the Request for Relief Without a Hearing. A Request for Relief may be granted without a hearing to the extent allowed under the Bankruptcy Rules or the Local Rules, except as otherwise provided herein. If the Court decides not to grant the Request for Relief without a hearing, (a) the Request for Relief shall be heard at the next scheduled Omnibus Hearing, and (b) the decision not to grant the Request for Relief shall not constitute an extension of the Objection Deadline related thereto with respect to any party, unless otherwise agreed between the party seeking relief and the party seeking to object.

C. Service and Notice Procedures

6. Procedures Established for Notices. All Court Filings shall be filed with the Court and served in accordance with the notice procedures set forth herein (the “Notice Procedures”).

7. Entities Entitled to Service. All Court Filings shall be served on the Master Service List and any other Affected Entities according to the Notice Procedures, except as otherwise provided by these Case Management Procedures or an order of the Court. An updated Master Service List can be obtained by (a) accessing the Case Website, (b) contacting the Claims Agent directly, or (c) contacting Debtors’ counsel directly.

Such individual or entity will thereafter receive paper service as provided in these Case Management Procedures.

12. No Email or Certification Provided. If a 2002 Notice Request fails to include an email address or a Certification, the Debtors shall forward a copy of these Case Management Procedures to such party within five (5) business days of receipt of service of the 2002 Notice Request and specifically request an email address and/or Certification. ***Until (a) an email address or (b) a Certification is provided in response to the Debtors' request, such party shall not be added to the 2002 Notice List and shall not be served with copies of Court Filings filed in these Chapter 11 Cases unless such Court Filings directly affect such party.***

13. Service of Motions Required to Be Served on All Creditors and Parties in Interest. Therefore, a party filing a Court Filing that is served on the ECF System Users via the ECF System has no further obligation to serve such Court Filing on the ECF System Users, provided that service to an ECF System User shall not be effective if the filing party receives notice that service of the Court Filing did not reach the ECF System User.

- (a) Consent to Electronic Service. Each creditor or party in interest that files a 2002 Notice Request shall be deemed to have consented to service of all Court Filings solely by electronic transmission, unless such creditor or party in interest has included a Certification opting out of such service.

- (c) Email Attachments. All Court Filings served by email shall include access to a computer file containing the entire document (including any proposed form of order and exhibits, attachments or other materials) in PDF format, readable by Adobe Acrobat or other equivalent document reader programs commonly available without cost. The relevant Court Filing shall either be attached to the email in a format specified above or the email shall contain a link to such filing in such format.
- (d) Effective Date of Service. Service by email on a party shall be effective as of the earlier of: (i) the date the Court Filing (or a notice stating that the Court Filing cannot be attached but is available on the ECF System or the Case Website) is transmitted by email to the email address provided by such party; or (ii) the date the Court Filing is posted on the ECF System where service on such ECF System User via the ECF System is proper under these Case Management Procedures.

16. Certificates of Service. The certificate of service for each filing must be filed with the Court together with the complete Service List that was utilized and served for a particular filing, but such certificate of service is not to be served via hard copy on the recipients of the filing.

17. Service in Adversary Proceedings. All filings in adversary proceedings shall be served, pursuant to Bankruptcy Rule 7005, upon all parties to the adversary proceeding, all parties known to have a particularized interest in the subject of such adversary proceeding, and the parties listed on the Master Service List. Any summons, complaint, or motion initiating an adversary proceeding shall be served in hard copy format, pursuant to Bankruptcy Rule 7004, upon the party or parties against whom relief is sought, all parties known to have a particularized interest in the subject of such proceeding, and the parties listed on the Master Service List. Absent leave of the Court, responsive pleadings shall be filed only by defendants in adversary proceedings and/or by parties in interest who seek to be joined or to dismiss for failure to join a necessary party.

18. Service of Orders. Except as otherwise provided by an order of the Court, all parties submitting orders shall serve a confirmed copy of any entered order on the parties that were entitled to service of the underlying Request for Relief in accordance with these Case Management Procedures. The Claims Agent shall post all entered orders on the Case Website.

19. Service Upon United States Trustee. Pursuant to the General Order Governing Procedures for Complex Chapter 11 Cases, the U.S. Trustee requires service upon it of all pleadings and papers, including but not limited to, petitions, schedules, statements of financial affairs, plan, disclosure statement, and monthly operating reports, in hard copy format regardless of whether the U.S. Trustee receives the same electronically.

20. Right to Request Special Notice Procedures. Nothing herein shall prejudice the rights of any party in interest, upon a showing of good cause, to seek an amendment or waiver of the provisions of the Case Management Procedures, including, without limitation, the right to file a motion seeking emergency *ex parte* relief or relief upon shortened notice.

D. Additional Case Management Procedures

22. Adequate Notice. Notice and service accomplished in accordance with the provisions set forth in these Case Management Procedures shall be deemed adequate in all respects pursuant to the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

23. Computation of Time. Unless otherwise specified, all time periods referenced in these Case Management Procedures shall be calculated in accordance with Bankruptcy Rule 9006(a).

24. Extensions of Time. Except as otherwise expressly set forth in any order entered in these Chapter 11 Cases, if a Motion to extend the time for a party to take any action is filed consistent with these Case Management Procedures before the expiration of the period prescribed by the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, or the provisions of any order entered by this Court, the time shall automatically be extended until the Court acts on the Motion, without the necessity for the entry of a bridge order. For the avoidance of doubt, an automatic extension under these Case Management Procedures does not require the issuance or entry of an order extending time. If the Court denies such Motion to extend, then the applicable action must

be completed no later than 5:00 p.m., prevailing Eastern Time, on the first business day after the Court enters such order.

25. Effect of the Case Management Procedures. The Bankruptcy Rules and the Local Rules shall continue to apply to all proceedings in these Chapter 11 Cases, except to the extent that any provision of these Case Management Procedures by its terms supersedes or is inconsistent with such rules.

26. Modification of Order. Any party may at any time apply for reconsideration or modification of the Order approving these Case Management Procedures. Service of said motion shall be made to all persons/entities on the Master Service List. The Court may amend Case Management Procedures from time to time as necessary.
